LOCAL RULES OF PRACTICE HURON COUNTY COURT OF COMMON PLEAS

RULE 1. ADMINISTRATION OF CIVIL AND CRIMINAL LITIGATION FOR HURON COUNTY, OHIO

EFFECTIVE DATE: This section applies to all civil and criminal cases filed in or transferred to Huron County Common Pleas Court after February 1, 2009. All local rules filed before February 1, 2009, are hereby revoked.

POLICY

It is the policy of the Huron County Common Pleas Court to adopt and follow the American Bar Standards relating to court delay reduction as follows:

1.01 - Caseflow Management: General Principle.

From the commencement of litigation to its resolution, this Court is committed to just and efficient resolution of cases. The Court will control the pace of litigation, reduce delay and maintain a current docket.

1.02 - Case Management.

The essential elements which this Court uses to manage its cases are:

1. Court supervision and control of the movement of all cases from the time of filing of the first document invoking court jurisdiction through final disposition.
2. Promulgation and monitoring of time standards for the overall disposition of cases.
3. Rules, conferences or other techniques establishing times for concluding the critical steps in the litigation process, including the discovery phase.
4. Early identification of cases that may be protracted, and for giving them special administrative attention where appropriate.
5. Adoption of a trial setting policy which schedules a sufficient number of cases to ensure efficient use of judge time while minimizing resetting caused by over scheduling.
6. Commencement of trials on the original date scheduled with adequate advance notice.
7. A firm, consistent policy for minimizing continuances.

1.03 - Standards of Timely Disposition.

The following time standards apply to cases in this Court:

General Civil

90% of all civil cases should be settled, tried or otherwise concluded within 12 months of the date of case filing; 98% within 18 months of such filing; and the remainder within 24 months of such filing except for individual cases in which the Court determines exceptional circumstances exist and for which a continuing review should occur.

Domestic Relations

90% of all domestic relations matters should be settled, tried or otherwise concluded within three months of the date of case filing; 98% within six months and 100% within one year.

Criminal

FELONY - 90% of all felony cases should be adjudicated or otherwise concluded within 120 days from the date of arrest; 98% within 180 days and 100% within one year.

PERSONS IN PRETRIAL CUSTODY - Persons detained should have a determination of custodial status or bail set within 24 hours of arrest. Persons incarcerated before trial will be afforded priority for trial.

1.04 - Matters Submitted to the Judge.

Matters under submission to the Judge or judicial officer will be promptly determined. Short deadlines will be set for party presentation of briefs and affidavits and for production of transcripts. Decisions where possible will be made from the bench or within a few days of submission; except in extraordinarily complicated cases, a decision will be rendered not later than 30 days after submission.

1.05 - Continuance Policy

Continuance of a hearing or trial will be granted only by the Judge or Magistrate for good cause. Extension of time for compliance with deadlines not involving a court hearing will be permitted only on a showing to the Court that the extension will not interrupt the scheduled movement of the case.

Requests for continuances and extensions, and their disposition, will be recorded in the file of the case. Where continuances and extensions are requested with excessive frequency or insubstantial grounds, the Court will adopt one or a combination of the following procedures:

1. Cross-referencing all requests for continuances and extensions by the name of the lawyer requesting them.
2. Requiring that requests for continuances and stipulations for extensions be in writing and the litigants be notified.
3. Summoning lawyers who persistently request continuances and extensions to warn them of the possibility of sanctions and to encourage them to make necessary adjustments in management of their practice. Where such measures fail, restrictions may properly be imposed on the number of cases in which the lawyer may participate at any one time.

RULE 3. TERM OF COURT

These rules apply to civil, criminal, and domestic relations proceedings in the Huron County Common Pleas Court, General Division.

The following documents will not be accepted for fax filing: cognovit promissory notes.

16.02 - Original Filing

A document filed by fax shall be accepted as the effective original filing. 1. enter the document in the Case Docket and file the document; or
2. deposit the document in a file of failed faxed documents with a notation of the reason for the failure; in this instance, the document *shall not* be considered filed with the Clerk of Courts.

The Clerk of Court is not required to send any form of notice to the sending party of a failed fax filing. However, if practicable, the Clerk of Court may inform the sending party of a failed fax filing.

16.05 - Signature

Failure to file the missing exhibits as required by this paragraph may result in the court striking the document and/or exhibit.

Any exhibit filed in this manner shall be attached to a cover sheet containing the caption of the case which sets forth the name of the court, title of the case, the case number, name of the judge and the title of the exhibit being filed (e.g., Plaintiff Smith's Notice of Filing Exhibit "G" to Plaintiff Smith's Response to Defendants' Motion to Dismiss), and shall be signed and served in conformance with the rules governing the signing and service of pleadings in this court. 1. When testimony is recorded on videotape pursuant to Civil Rule 40, C.P. Sup R. 10 and 15, it will be the responsibility of counsel to instruct the person before whom the testimony is taken in accord with Civil Rule 28 (A), to note by the use of a digital counter or other clock device connected with the tape the point on the videotape where objections consecutively are made. The Notary will then number the objections consecutively and attach this record to the certification when filed with the Clerk.
2. Objections must be made at the conclusion of the question and answer only. Counsel shall state the basis for the objection, and may read citations into the record at this time, however additional citations may be provided to the Court at a later time. Any objection made prior to the completion of an answer may, in the Court's discretion, be disregarded and overruled.
3. When cases are assigned for trial pursuant to Civil Rule 40 and C.P. Sup. R. 15, a date will be assigned for the filing of plaintiff's testimony and defendant's testimony for editing. A copy of the transcript of the testimony or such portion thereof as is necessary to rule on any objections shall accompany a videotape deposition. The transcript shall be certified by the transcriber to be a true and accurate transcription.
4. In all cases where testimony is recorded on videotape, the costs shall be assessed pursuant to C.P. Sup. R. 12(D).
5. If videotape depositions are to be used in the trial of a case, the tape(s) must be filed with the Clerk of Courts, for editing by the court, no later than seven (7) days prior to trial. Any videotapes submitted after this date will not be presented to the jury, unless for good cause shown, the Court grants leave to file said depositions out of rule. All videotape depositions must comply with the requirements of C.P. Sup. R. 12 (A). Except for good cause shown there will be no trial continuances for inability of a medical expert to the present to testify.
6. **Videotape Trials:** The Court may, in any appropriate case, order the recording of all testimony and evidence on videotape in accordance with C.P. Sup. R. 12 (B).
7. Pursuant to Civil Rule 54 (D) and in compliance with C.P. Sup. R. 12 (D), deposition costs, including costs of video depositions, shall be taxed as costs and shall be recoverable by the prevailing party. This shall apply only to depositions used in lieu of testimony at trial.

RULE 23. CERTIFICATE OF SERVICE

Proof of service of all pleadings, motion, briefs, memorandum or other writing filed with Court shall be by certificate of service attached to such pleading, motion, brief, memorandum or other writing and shall include the names and addresses of the attorneys and/or parties served, not simply “all parties or counsel of record”.

RULE 25. CIVIL MOTIONS AND HEARINGS

This rule applies to all civil motions except rule day extensions which are governed by Local Rule 17, motions for continuances which are governed by Local Rule 34 and domestic relations motions which are governed by Local Rule 69. For purposes of scheduling and briefing, there are three classes of motions:

25.01 - Non-Oral Hearing Motions.

Motions for summary judgment shall be scheduled for a non-oral hearing by the party filing the motion by noting the option on the first non-oral hearing calendar date that is at least 28 days after the date of filing the motion with the Court or the date of service set forth on the certificate of service attached to the motion, whichever is later. Non-oral hearings are scheduled every Thursday at 1:00 p.m. The moving party shall calculate the appropriate time frame and schedule the motion by filing with the Court a Notice of Non-Oral Hearing.

The party filing the motion shall file with it and cause to be served on the opposing party(s) a Notice of Non-Oral Hearing, supporting affidavits, depositions, exhibits and documentation and a memorandum of authorities in support of the motion. Not later than 14 days before the date of the non-oral hearing, the opposing party(s) shall file with the Court and cause to be served upon the moving party opposing affidavits, depositions, exhibits and documentation and a memorandum of authorities opposing the motion. The moving party may file with the Court and cause to be served upon the opposing party(s) a reply memorandum of authorities not later than seven days before the date of the non-oral hearing. All affidavits, depositions, exhibits and documentation must be filed with the court and served on the opposing party(s) so as to be actually received not later than 1:00 p.m. on the day before the non-oral hearing. Motions not supported by a memorandum of authorities may be stricken from the motion hearing calendar.

Motions for a temporary restraining order or for other urgent equitable relief shall be heard by the Court at a date and time to be fixed by the Assignment Commissioner upon application of the party seeking the relief. The moving party should contact the Assignment Commissioner to obtain the hearing date and time and thereafter, if possible, notify the opposing party or his counsel in an appropriate manner calculated to give actual, timely notice of the hearing. Such motions will be heard *ex parte* only upon a showing that an extraordinary hardship will result to the moving party by any delay in the proceeding and in appropriate cases a bond will be required. *Ex parte* determinations shall be subject to immediate review in a hearing before the Court upon application of the party against whom the Court’s order was enforced. The party seeking such review should contact the Assignment Commissioner to obtain the hearing date and time and thereafter notify the opposing party or his counsel in an appropriate manner calculated to give actual, timely notice of the hearing. Hearings will be non-

oral hearings on affidavits, depositions, exhibits and documentation unless an oral hearing is requested and granted or ordered by the Court. Parties should file with the Court and serve on each other a memorandum of authorities supporting their positions, a certification of notice detailing what efforts were made to give the opposing party notice, a proposed judgment entry and in the case of a temporary restraining order and preliminary injunction a proposal for bond.

All other civil motions shall be scheduled for a non-oral hearing by the party filing the motion by noting the motion on the first non-oral hearing calendar date that is at least 14 days after the actual date of filing the motion with the Court or the date of service set forth on the certificate of service attached to the motion, whichever is later. Non-oral hearings are scheduled every Thursday at 1:00 p.m. The moving party shall calculate the appropriate time frame and schedule the motion by filing with the Court a Notice of Non-Oral Hearing.

The party filing the motion shall file with it and cause to be served on the opposing party(s) a Notice of Non-Oral Hearing, supporting documentation, if any, and a memorandum of authorities in support of the motion. Not later than 7 days before the date of the non-oral hearing, the opposing party(s) shall file with the Court and cause to be served on the moving party opposing documentation, if any, and a memorandum of authorities opposing the motion. The moving party may file with the Court and cause to be served upon the opposing party(s), so as to be actually received not later than 1:00 p.m. on the day before the non-oral hearing, any reply documentation and a reply memorandum of authorities. Motions not supported by a memorandum of authorities may be stricken from the motion hearing calendar.

Informal Conferences - Parties may request informal conferences with the Judge or Magistrate by calling the Assignment Commissioner to schedule a chamber's conference or telephone conference on short notice to address urgent matters. All parties must be represented.

25.02 - Oral Hearing Motions.

An oral hearing may be requested on any motion by any party moving or opposing the motion. The party requesting the oral hearing should initially contact the Court's Assignment Commissioner to advise of the request. Oral hearings are granted only upon approval of the Judge. If the judge authorizes an oral hearing, the party requesting the oral hearing is responsible for coordinating the scheduling of the oral hearing with the other party(s) and the Court's Assignment Commissioner. The scheduling of the oral hearing shall conform to the scheduling of the non-oral hearing in order to permit the parties to have the same briefing schedule. The oral hearing will not be scheduled earlier than the date and time of the non-oral hearing. The request for the oral hearing must be made at least 7 days before the non-oral hearing date, except in the case of Local Rule 25.01(b) motions. A party will not be permitted to argue at the oral hearing unless he has complied with the briefing schedule for non-oral hearing motions. The Court may, in its discretion, limit the time allowed for oral argument.

The party requesting the oral hearing should first contact the opposing party(s) to advise that an oral hearing will be requested and obtain dates and times when the other party(s) can be available for the oral hearing. The requesting party should then contact the Court's Assignment Commissioner to obtain an oral hearing date and time and thereafter serve notice thereof on the other party(s) and file with the Court a copy of the notice and a certificate of service.

25.03 Copies of Motions and Memoranda of Authorities.

The moving party should file with the Court an original and one copy of the motion, affidavit, and notice of hearing and all parties should file with the Court an original and one copy of memoranda of authorities in order to provide the Court with a working copy. It is not necessary, but a party is allowed to file an extra copy of affidavits, the relevant portions of depositions, exhibits and other documentation submitted in support or in opposition to a motion.

RULE 27. TRANSCRIPTS AND EXHIBITS

TRANSCRIPTS

27.01 - The furnishing of transcripts by the Official Court Reporters and the amount and method of paying the compensation for them shall be fixed by Court order and as provided by O.R.C. Section 2301.21 - 2301.25.

27.02 - The transcription of proceedings in any case other than indigent criminal cases shall not be begun and transcribed by an official reporter for the Court until there is deposited with her or him a sum equal to the estimated cost thereof as the same shall be estimated by the official reporter. In the event the deposit is not sufficient to cover the entire cost of the transcript, the unpaid balance shall be paid to the official reporter before the transcript is delivered to the party ordering it. In the event the deposit exceeds the costs of the transcript, the unused portion thereof shall be returned by the official reporter to the party ordering and paying for the transcript.

27.03 - In accordance with C.P. Sup. R. 10, in any proceeding recorded by electronic means, the recording shall be the official record and shall be transcribed, if required, by the official reporter or the reporter's designee. Any other reporter's transcript shall not constitute the official record unless so stipulated by counsel and approved the Court or Magistrate upon commencement of the proceedings.

27.04 - Records in the custody of the Clerk of Courts and the shorthand notes of the Official Court Reporters may be destroyed then (10) years after a case is concluded, and after compliance with Section 149.40 of the Ohio Revised Code, except in Murder and Aggravated Murder cases.

EXHIBITS

27.05 - Any exhibit admitted into evidence larger than that which will fit into a letter-sized manilla envelope will have to have a photo substituted in its place for purposes of storage. Original exhibits will be returned for retention to the offering party.

Exhibits withdrawn during the trial will be returned to the appropriate party at the conclusion of the trial.

Exhibits in the custody of the Court Reporter shall be available for return to the offering party after the expiration of the appeal process. If they are not obtained after notification from the Court, the exhibits shall be destroyed, except exhibits in a criminal case, which will be turned over to the Huron County Prosecutor's Office.

RULE 28. DISMISSALS

28.01 - The Court may dismiss, on its own motion, all cases in which:

1. There has been no affirmative action taken for an unreasonable time; or
2. There has been no response to inquiries from the Court or Assignment Commissioner regarding the status of the case.

28.02 - If no affirmative action is taken in a case (such as request for assignment or request for good cause that the case be allowed to pend) or no response to court inquiries is made, a case may be dismissed after ten (10) days from the date of notice to counsel and/or parties that the Court is considering dismissal of such case. Such dismissals shall be without prejudice with costs to be taxed as the Court deems just.

RULE 29. WITHDRAWAL OF COUNSEL

No attorney shall be allowed to withdraw without substitution of counsel in a pending case without good cause shown and the court granting said motion. Attorneys seeking to withdraw shall submit to the Judge a motion, proposed entry and affidavit setting forth the reason counsel seeks to withdraw and certifying that counsel has informed his client by certified mail of his intent to withdraw and notice to the client of the nature, date and time of the next pending proceeding before the Court, the arrangements by which the client may obtain his papers, items of evidence and file materials from counsel and notice to the client to obtain replacement counsel as soon as possible and to notify the court of the identity of his substitute counsel. There must also be a certificate of service to the opposing counsel.

RULE 30. SUBSTITUTION OF COUNSEL

An attorney may withdraw in a pending case where he files a Notice of Substitution of Counsel identifying the name, Supreme Court registration number, address, and telephone number of the attorney substituting his appearance. The Notice of Substitution of Counsel shall be signed by the withdrawing and substituted counsel and contain a certificate of service to the opposing counsel.

RULE 31. PRE-TRIAL PROCEDURE FOR CIVIL CASES

31.01 - Normal case flow for civil cases in this Court consists of A FIRST TELEPHONE STATUS CONFERENCE at 3 months; a SECOND TELEPHONE STATUS CONFERENCE or a PRETRIAL CONFERENCE (if counsel advises the Court that settlement would likely be facilitated) at 6 months; a PRE-TRIAL CONFERENCE at 11 months; and TRIAL at 12 months. It is important that counsel advise the Court of any unique circumstances anticipated in preparing a case which would make departure from the normal case flow appropriate.

31.02 - First Telephone Status Conference.

The purpose of the first telephone status conference is to establish a time table for the case, address any preliminary discovery issues and determine whether the case is appropriate for assignment of an early pre-trial conference to explore settlement or for early trial assignment.

31.03 - Second Telephone Status Conference.

The purpose of the second telephone status conference is to report the status of discovery, resolve existing discovery disputes, explore the possibility of settlement and set the case for a pre-trial conference and trial. In order to facilitate the purpose of the second telephone status conference, counsel should at a minimum accomplish the following prior to the conference:

1. Produce documentary evidence for which there has been a timely request pursuant to the discovery rules.
2. Answer interrogatories timely served pursuant to the discovery rules.
3. Depose the parties or their principal agent or spokesperson.
4. Confer with their clients and opposing counsel about settlement.

Counsel should be prepared to advise the Court how much additional time will be necessary to complete discovery and motion practice. Counsel should have their calendars available, so that dates for the pre-trial conference and trial can be set.

31.04 - Pre-Trial Conference.

Unless waived by the Court, all civil cases, when at issue shall be pre-tried. Such pre-trial conference shall be held with the intention of accomplishing the objectives set forth in Rule 16 of the Ohio Rules of Civil Procedure. Pretrials shall be held at such times as the Court shall direct. The Assignment Commissioner shall give notice of a pre-trial hearing by delivering or mailing a copy of such notice to all known interested counsel, and to all unrepresented parties. Such pre-trial conference shall be attended by counsel for the parties, who shall have their clients present, and by all unrepresented parties. In those cases in which the real party in interest is an insurance company, the presence or availability by telephone of a representative of the insurance company shall constitute compliance with the provisions of this subsection. Counsel attending the pre-trial conference shall have complete authority to stipulate matters of evidence, to make admissions and to discuss settlement.

31.05 - Civil Trial Order.

The Court will issue a civil trial order at the time of setting the case for trial. The civil trial order will contain the following requirements:

1. Ninety (90) days before trial Plaintiff(s) and Defendant(s) shall **DISCLOSE** to each other and file with the Court the name, address and subject area of **EXPERT WITNESSES** expected to testify at trial. Rebuttal expert witness identification shall be disclosed and filed sixty (60) days before trial. Expert's Reports shall be exchanged at least 21 days prior to trial if they are intended to be admitted into evidence at trial. **FAILURE TO COMPLY MAY BE GROUNDS TO EXCLUDE AN EXPERT WITNESS OR REPORT AT TRIAL.**

2. Permission is granted to file **PRE-TRIAL MOTIONS**, including motions for summary judgment, if any, provided such motions are timely filed and scheduled pursuant to Local Court Rule 25, so that the oral or non-oral hearing date is scheduled not later than the pretrial conference scheduled above.
3. **TRIAL BRIEFS** shall be served on opposing counsel and filed with the Court seven (7) days before trial.
4. **MOTIONS IN LIMINE** and **OBJECTIONS IN DEPOSITIONS** to be used in trial and briefs in support thereof shall be served on opposing counsel and filed with the Court seven (7) days before trial. Responding briefs shall be served so as to actually be received by opposing counsel and filed with the Court no later than noon of the date before trial. **FAILURE TO COMPLY MAY CONSTITUTE A WAIVER.** A transcript of deposition testimony shall be provided to the Court and objections shall be noted to the page(s) and lines. Videotaped objections shall additionally be time-marked at the beginning and end of each objection. See Local Court Rule 21.02 for requirements of videotaped testimony.
5. **EXHIBITS**, except rebuttal exhibits, shall be marked and exchanged by counsel not later than one half hour before trial commences. A schedule of each party's proposed exhibits shall be served on opposing counsel and filed with the Court seven (7) days before trial. **FAILURE TO SO DISCLOSE AN EXHIBIT MAY BE GROUNDS FOR EXCLUSION OF THE EXHIBIT AT TRIAL. COUNSEL SHALL NOT MAKE REFERENCE IN OPENING STATEMENT TO AN EXHIBIT NOT SO DISCLOSED.** It is the practice of this Court that exhibits which are to be published to the jury (except illustrative exhibits) in the course of presenting testimony must first be offered and admitted into evidence before the jury may view or listen to them. Other exhibits may be identified and authenticated during testimony and offered and admitted into evidence at the close of a party's case. If an exhibit is otherwise admissible, the preferred method is to offer the exhibit into evidence at the time it is identified and authenticated while the witness is present and can, in the case of an objection, respond to questions pertaining to its identification and authenticity. **Compliance with this order is not intended to be in lieu of the duty to timely respond to or supplement discovery requests.**
6. Names and addresses of **WITNESSES** expected to testify at trial, except rebuttal witnesses, shall be served on opposing counsel and filed with the Court seven (7) days before trial. **FAILURE TO SO DISCLOSE A WITNESS MAY BE GROUNDS FOR EXCLUSION OF THE WITNESS AT TRIAL. COUNSEL SHALL NOT MAKE REFERENCE IN OPENING STATEMENT TO A WITNESS NOT SO DISCLOSED.** Compliance with this order is not intended to be in lieu of the duty to timely respond to or supplement discovery requests.
7. **JURY QUESTIONNAIRES** are available from the Court seven (7) days before trial. See Local Court Rule 49.02 (Not applicable to non-jury cases.)

8. A request for a **JURY VIEW** shall be in writing and filed with the Court seven (7) days before trial. Counsel so requesting shall inform the Sheriff in writing seven (7) days before trial and deposit fifty dollars (\$50.00) with the Clerk of Courts, which will be applied to transportation costs. Instructions for the view shall be in writing, served on opposing counsel and filed with the Court seven (7) days before trial. Counsel for any party may file additional instructions for the view, provided they are in writing and served, so that they are actually received by opposing counsel and filed with the Court not later than noon on the day before trial. Objections to instructions for the view may be made orally and will be determined on the day of trial. A record will be made of the jury view instructions to be given by the Bailiff to the jury and any objections thereto. (Not applicable to non-jury cases.)
9. Requested **JURY INSTRUCTIONS AND INTERROGATORIES** shall be served on opposing counsel and filed with the Court seven (7) days before trial. It is not necessary to submit standard O.J.I. instructions applicable to all cases. Requested instructions from O.J.I. should cite the O.J.I. instruction number. Other instruction should cite authorities Shepardized to date. Instructions filed with the Court should consist of one set numbered containing citations and one set unnumbered without citations suitable for submission to the jury. Each instruction should be set forth on a separate page. (Not applicable to non-jury cases.)
10. **JURY COSTS MAY BE ASSESSED IF THE COURT IS NOT ADVISED OF SETTLEMENT AT LEAST FORTY-EIGHT (48) HOURS BEFORE TRIAL.**

RULE 32. ASSIGNMENT OF CIVIL CASES FOR TRIAL

32.01 - All assignments of cases for trial shall be made by the Assignment Commissioner with the approval of the Court at least two weeks prior to the date set for trial, unless otherwise ordered by the Court. Provided, however, that no case shall be assigned for trial less than one week prior to the date set for trial without the consent of all counsel. Notice of the assignment of a case set for trial shall be mailed or delivered forthwith to all interested counsel.

32.02 - All cases having priority under any statute, and injunctions, mandamus, uncontested divorce, annulment, legal separation, Habeas corpus and such other cases as the Court may direct may be heard at any time as may be ordered by the Court, after proper notice, without having been assigned by the Assignment Commissioner for trial.

RULE 33. CONDUCT OF COUNSEL AT TRIAL

33.01 - Except by permission of the Court, only one counsel for each party will be permitted to speak on any interlocutory motion, or upon any question arising during the trial of a cause or a proceeding, and only one counsel for each party will be permitted to examine the same witness in any trial or proceeding before the Court.

33.02 - In any argument to the Court or jury upon the trial of a cause, only two counsel for each party will be heard unless for special reasons the Court permits otherwise. The Court may limit the time for argument as it may deem reasonable.

33.03 - Only counsel and parties shall be seated at counsel table except as may be otherwise authorized by the Court.

RULE 34. CONTINUANCES

34.01 - It is the policy of this Court to determine matters submitted in a timely way. Continuances will be granted only for good cause shown. In interlocutory matters counsel should accommodate each other where the continuances sought will not grant an unfair advantage, will not delay the trial or other matters set for hearing before the Court and counsel proposing the continuance has a reasonable explanation for the need for the continuance. Continuances of trial or matters set for hearing before the Court, which if continued may cause a delay in the trial, will not be granted by the Court by accommodation of counsel but will be granted only for good cause shown.

34.02 - Continuances of civil and criminal cases shall be in accordance with C.P. Sup. R. 14.

34.03 - All requests for continuances of a trial or hearing must be by written motion which complies with Civil Rule 7(B). The motion shall state that counsel for the moving party has contacted the other counsel in the case and whether other counsel are willing to accommodate the request for a continuance. The moving party shall certify that a copy of the motion was mailed/delivered to his client. Service of the motion shall comply with Civil Rule 5.

Continuances will be granted only by the Judge or Magistrate. The Court will not grant a continuance to any party at any time without first setting a definite date for trial or hearing. The moving party shall obtain a proposed date and time for the rescheduled trial or hearing from the Court's Assignment Commissioner and include the date and time in the motion and judgment entry submitted with it.

34.04 - No continuances will be granted beyond the critical trial date in a criminal case unless the Defendant consents to and signs a waiver of the critical trial date.

34.05 - Continuance of a cause may be granted on the grounds of inability to procure the testimony of an absent witness when it is made to appear that due diligence was used to procure such testimony. In order to obtain a continuance on these grounds, the party making the application must support the same by affidavit stating therein what he expects to prove by such witness. If the Court finds the testimony set forth to be immaterial or if both parties consent to the reading of the affidavit in evidence, the application will not be sustained and the case will proceed to trial.

34.06 - When a continuance of a cause is requested on the grounds that an attorney interested in the case is already engaged on the date set for trial in another court of record or governmental bureau, or attendance at Continuing Legal Education, proof of such prior commitment shall be attached to the motion for continuance which shall be filed forthwith following notification of the assignment of the case in this Court.

34.07 - All motions for a continuance shall be accompanied by a proposed journal entry ordering the reassignment of said case for a date certain. In the event a continuance is granted, the Court may, in its discretion, assess costs and expenses against the moving party.

RULE 35. CRIMINAL CASES

35.01 - Purpose.

The purpose of these rules of criminal practice is to provide the fairest and most expeditious administration of criminal justice possible within the requirements of the Ohio Rules of Criminal Procedure, the provisions of the Ohio Revised Code, the Ohio Constitution and the United States Constitution. These rules shall be construed and applied to eliminate delay, unnecessary expense, and all other impediments to a just determination of criminal cases. Further, the disclosure and discovery requirements placed upon both the prosecution and the defense are to fully implement Rule 16 of the Ohio Rules of Criminal Procedure and the requirements of *Brady v. Maryland*, 373 U.S. 83 (1963). The rules of practice of this Court for civil cases apply to all criminal proceedings, except where clearly inapplicable.

35.02 - Bail.

Rule 46 of the Ohio Rules of Criminal Procedure will govern in all cases.

When the amount of bail has been fixed in a criminal case before it reached this Court and either the State or the defendant desire to modify the amount or conditions thereof, such party shall make application to the Court. Notice thereof shall be given to the adverse party and after submission to the Court, the action approved by the Court shall be by entry made a part of the papers of the case.

35.03 - Application for Nolle Prosequi.

Where under the provision of Revised Code Section 3941.33 the prosecuting attorney desires to enter a Nolle Prosequi in any criminal case, he shall file written application thereof.

35.04 - Grand Jury Transcripts.

All Grand Jury proceedings shall be recorded by the reporter. The Official Court Reporter shall not prepare transcripts of testimony of grand jury proceedings except under order of the Court.

35.05 - Grand Jury - Failure to Timely Indict.

Criminal cases bound over to this Court on which no final action is taken by the grand jury within sixty (60) days from this bind over may be dismissed on motion of the defendant without prejudice. If the complaining witness's testimony is not available, the case may be continued by the Court for a definite period of time and such continuance noted in the report of the grand jury.

35.06 - Arraignments.

1. Arraignments will be scheduled as ordered by the Court.
2. If the defendant is not represented by counsel, the Public Defender will be appointed to advise the defendant, and a not guilty plea shall be entered, bond continued and an attorney assigned from a list of eligible counsel or from the County or from the County Public Defender's Office.
3. If at the arraignment a guilty plea is entered by defendant:
 - (a) A disposition date shall be set before the Judge if said plea is to a felony offense.
 - (b) An immediate disposition shall be made by the Judge, if said plea is to a misdemeanor offense.
4. If at arraignment a not guilty plea is entered by the defendant:
 - (a) The Court will set a date and time for the trial and for the pre-trial conference, which shall be at least 14 days before the trial.
 - (b) No plea other than guilty to all counts and specifications in the indictment will be accepted unless the Court is given notice of the plea not later than noon on the Thursday of the week before trial and the plea is entered not later than Friday of the week before trial.

35.07 - Discovery.

Discovery shall be as provided in accordance with the Criminal Rule 16.

35.08 - Continuance of a Criminal Case.

Continuances shall be governed by Local Rule 34.

35.09 - Indigent Defendants.

All arraignments for alleged indigent defendants shall be represented by the Public Defender unless counsel for the defendant has been previously appointed by a Municipal Court. Counsel appointed by the Municipal Court for an indigent defendant shall continue as attorney of record for said defendant from the time of bind over until arraignment and payment for services shall be pursuant to (C) below. The Judge may appoint new counsel for indigent defendants at arraignment.

Appointments of private counsel will be made from a list of qualified attorneys who desire and are willing to undertake such defense. Any attorney desiring such appointments shall submit two (2) copies of his or her resume' to the Court. The copies shall be distributed as follows: one to the Judge and one to the Assignment Commissioner. Refusal to accept any appointment, except for good cause, may subject an attorney to immediate removal from the appointment list.

Before counsel is appointed, each alleged indigent defendant must file an affidavit of indigency setting forth the facts thereof, and the amount of any payment made, and to whom, for legal representation in the matter to date. No attorney who has received compensation or has been promised compensation from any source shall be appointed to represent that indigent defendant.

Unless otherwise provided by law or order of the Court, fees shall be paid as set forth in Huron County, Ohio. Resolution entitled "In the Matter of Setting a New Schedule of Fees for Conflict Indigent Defense Cases" filed November 8, 1990, and recorded in The Commissioners Journal, Volume 59, Page 284-286 or any modification approved by the Commissioners.

An affidavit setting forth the number of hours expended, with an itemized log of work performed, shall be made by each appointed attorney on forms to be supplied by the Court. The affidavit shall include a statement that no compensation has been received, or none promised from any source, and an itemization of actual expenses incurred.

35.10 - Preliminary Motions.

Motions and other written requests in the criminal cases shall be filed within thirty-five days after arraignment or plea unless otherwise allowed by the Court. Except for motions required to be determined prior to trial under Criminal Rule 12, motions not filed in such time or not disposed of may be heard and decided at the trial at the discretion of the Trial Judge. An assignment for trial will not be continued because of the filing of such a motion.

A hearing on a Motion to Suppress Evidence shall be scheduled in advance with the Court in order to allow sufficient time for the hearing. Before filing a motion the moving party shall obtain a hearing date and time from the Assignment Commissioner and shall file with the Court and serve on the opposing party a Notice of hearing together with the Motion and a Memorandum of Authorities in support of the motion. The opposing party shall, not later than noon on the day before the hearing, file a memorandum of authorities opposing the motion. Memoranda should be law and fact specific.

All other motions in criminal cases shall be scheduled for an oral or non-oral hearing on the criminal motion docket commencing at 1:00 p.m. on Monday afternoon. The moving party shall schedule the hearing on the first criminal motion docket calendar date that is at least five (5) days after the actual date of the filing of the motion with the Court or the date of service set forth on the certificate of service attached to the motion. The moving party shall file with the Court and serve on the opposing party a Notice of Hearing together with the motion and a memorandum of authorities in support of the motion. The opposing party shall, not later than noon on the Friday before the hearing, file a memorandum of authorities opposing the motion.

The failure to file a memorandum of authorities in support of a motion will cause the motion to be stricken from the hearing calendar. The failure to file a memorandum of authorities in opposition to a motion may be deemed as a waiver of the privilege to orally argue against the motion at the hearing.

Motions for jury view shall be filed at least 7 (seven) days prior to trial. See Rule 31.05 (H) for procedure for obtaining jury view.

All motions, briefs and memoranda, pro and contra, shall be filed in duplicate.

35.11 - Conduct of Attorneys.

It is the duty of the lawyer not to release or authorize the release of information or opinion for dissemination by any means of public communication in connection with pending or imminent criminal litigation with which he is associated if there is a reasonable likelihood that such dissemination will interfere with a fair trial or otherwise prejudice the due administration of justice.

With respect to grand jury or other pending investigation of any criminal matter, a lawyer participating in the investigation shall refrain from making any extrajudicial statement for dissemination by any means of public communication that goes beyond the public record or that is not necessary to inform the public that the investigation is underway or describe the general scope of the investigation or obtain assistance in the apprehension of a suspect or warn the public of any dangers or otherwise to aid in the investigation.

From the time of the arrest, issuance of an arrest warrant or the filing of an affidavit, information or indictment in any criminal matter until the commencement of trial or disposition without trial, a lawyer associated with the prosecution or defense shall not release or authorize the release of any extrajudicial statement for dissemination by any means of public communication relating to the matter and concerning:

1. The prior criminal record (including arrest, indictments, or other charges of crime) or the character or reputation of the accused, except that the lawyer may make an actual statement of the accused's name, age, residence, occupation, and family status and if the accused has not been apprehended, a lawyer associated with the prosecution may release any information necessary to aid in his apprehension or to warn the public of any dangers he may present.
2. The existence or contents of any confession, admission or statement given by the accused or the refusal or failure of the accused to make any statement.
3. The performance of any examinations or test on the accused or the refusal or failure to submit to an examination or test.
4. The identity, testimony, or credibility of prospective witnesses except that the lawyer may announce the identity of the victim if the announcement is not otherwise prohibited by law.
5. The possibility of a plea of guilty to the offense charged or a lesser offense.

35.13 - Inactive Criminal Cases.

Criminal cases in which further proceedings are not presently possible shall be placed in a suspended file by the Clerk and considered closed for statistical purposes either upon motion of the prosecution attorney or the Court's own motion and shall not be subject to dismissal for want of prosecution. A case shall be removed from such list when the defendant is available and proceedings resumed or when such case is dismissed. Cases to which this rule is applicable shall include those in which the defendant is not competent to stand trial, or is confined in a penal institution in another state, or has not been served or cannot be found or has been admitted to a diversion program. No case shall be placed on such suspended list until any bail has been forfeited and judgment entered thereon.

35.14 - Daily Copies of Transcripts.

35.16 - Disclosure of Presentence Report.

At the time a Judge orders a presentence investigation, a date for sentencing shall be established. The date of sentencing shall not be less than two weeks nor more than six weeks after the presentence investigation is ordered.

The Probation Officer who prepares the report shall have it completed no later than two court days prior to sentencing. When the report is complete, it shall be sent to the Judge and made available at the Court for review by the defendant's attorney (or by the defendant if he is not represented by an attorney) and the Prosecutor. The copy of the report made available to attorneys or the defendant for review, may be reviewed in the Court's offices on the two days before sentencing and in the courtroom on the day of sentencing. No report shall be taken from the Court without the written approval of the Judge assigned to the case.

In order to protect information which is not available pursuant to R.C. §2951.03(B)(3), the copy of the report made available for review by the attorneys or the defendant shall contain a summary of the report and the sections of the report deemed by the Court to be protected by R.C. 2951.03 (B)(3) shall be redacted.

The memorandum shall be filed with the Court in duplicate and a copy shall be served upon the opposing party in a manner calculated to give actual notice of its contents on or before noon of the day before the day of the sentencing hearing. A certification of such service shall be filed with the Court. The prosecutor shall be permitted to address the Court at the sentencing hearing, provided he has timely filed a sentencing memorandum.

35.18 - Post-Conviction Determination of Constitutional Rights.

Scope Rules. These rules govern the procedure in the Huron County Court of Common Pleas on a Petition under Ohio Rev. Code Section 2953.21 (Post-Conviction Determination of Constitutional Rights).

Petition. Blank petitions in the prescribed form shall be made available without charge by the Clerk of Huron County Court of Common Pleas to applicants under their request. It shall specify all the grounds for relief which are available to the petitioner and of which he has, or by the exercise of reasonable diligence, should have knowledge and shall set forth in summary form the facts, without legal citation, supporting each of the grounds. The petition shall be typewritten or legibly hand written and shall be signed and sworn to by the petitioner. A petition shall be limited to the assertion of a claim for relief against judgment entered by one Court only. If a petitioner desires to attack the validity of other judgments of that Court under which he is in custody, he shall do so by separate petitions.

Preliminary Consideration by Judge. The original petition shall be presented promptly to the Judge of the Common Pleas Court who was originally assigned the petitioner's case at trial for the preliminary determinations concerning the sufficiency of the Petition.

Discovery. A party may invoke the processes of discovery available under the Ohio Rules of Civil Procedure including Rules 26, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37 or elsewhere in the usages and principles of law if, and to the extent that the Judge, in the exercise of his discretion and for good cause shown grants leave to do so, but not otherwise. If necessary for effective utilization of discovery procedures, counsel shall be appointed by the Judge for a petitioner who qualifies for appointment under Chapter 120 of the Revised Code.

Evidentiary Hearing. Determination by Court. If the petitioner has not been dismissed at a previous stage in the proceedings, the Judge, after the answer is filed and any transcripts or records of prior court actions in the matter are in his possession, shall, upon a review of those proceedings and of the expanded record, if any, determine whether an evidentiary hearing is required. If it appears that an evidentiary hearing is not required, the Judge shall make such disposition of the petition as justice dictates.

Function of the Magistrate. When designated to do so in accordance with Rule 53 of Ohio Rules of Civil Procedure, a Magistrate may conduct hearings, including evidentiary hearings, on the petition, and submit to a Judge of the Court proposed findings of fact and conclusions of law.

Delayed or Successive Petitions.

Delayed Petitions. A petition for relief pursuant to these rules may be dismissed if it appears that the State of Ohio has been prejudiced in its ability to respond to the petition by delay in its filing, unless the petitioner shows that it is based on grounds of which he could not have had knowledge by the exercise of reasonable diligence before the circumstances prejudicial to the state occurred.

Successive Petitions. A second or successive petition may be dismissed if the Judge finds that it fails to allege new or different grounds for relief and the prior determination was on the merits, or, if new and different grounds are alleged, the Judge finds that the failure of the petitioner to assert those grounds in a prior petition constituted an abuse of procedure governed by these rules.

35.19 - Search Warrants.

The Clerk shall maintain a separate index and docket for each warrant.

Where the Judge files with the Clerk, pursuant to Rule 41 (E) of the Ohio Rules of Criminal Procedure, the search warrant, copy of the return, inventory or any other papers in connection therewith, the Clerk shall secure said documents in a separate jacket, consecutively numbered and indexed by name.

Name of the counsel and of the Trial Judge shall be typed or printed upon the entry. When the entry is approved by counsel, it shall be so endorsed and presented to the Judge to whom the case is assigned for approval and if signed by him shall then be filed with the Clerk. If counsel are unable to agree upon the entry, it shall be submitted to the Trial Judge, who will direct what entry shall be made.

If counsel fails to present an entry within twenty (20) days after the order is decreed, or judgment is rendered, the Trial Judge may cause the proper entry to be prepared and filed without submission or notice to counsel or take such other action as may be appropriate under the circumstances.

39.02 - When a party requests the Court to state its findings of fact separately from its conclusions of law under the provision of Civil Rule 52, the party requesting such statement shall, within five (5) days after the receipt of notice of the Court's decision, submit to the Court a statement of proposed findings of fact and conclusions of law and shall serve copies thereof to all opposing parties or their counsel. Within five (5) days after receipt of such proposed statement each opposing party shall submit to the Court a proposed statement of findings of fact and conclusions of law. For want of a strict compliance with this Rule by the party requesting such findings of fact and conclusions of law, unless good cause shown, the Court upon its motion will enter a general finding.

39.03 - In criminal cases the prosecuting attorney shall prepare judgment entries to be submitted to the Court with a copy served on the Defendant's attorney. If the Defendant believes that the judgment entry prepared by the prosecution does not accurately reflect the Court's ruling, the defendant should file a motion to set the judgment aside and attach thereto a memorandum in support and a proposed judgment entry which defendant believes more accurately reflects the court's ruling.

RULE 41. DEFAULT JUDGMENTS

Default Judgments shall be granted in accordance with Civil Rule 55. Motions shall be accompanied by a proposed Judgment Entry.

When a principal party against whom a judgment for affirmative relief is sought has failed to plead or otherwise defend as provided by these rules, the party entitled to a judgment by default shall apply in writing or orally to the Court therefor; but no judgment by default shall be entered against a minor or an incompetent person unless represented in action by a guardian or other representative who has appeared therein. If the party against whom judgment by default is sought has appeared in the action, he shall be served with written notice of the application for judgment at least seven (7) days prior to the hearing on such application, the date and time to be fixed by the Assignment Commissioner with the concurrence of the Judge assigned. If, in order to enable the Court to enter judgment or to carry it into effect, it is necessary to take an account or to determine the amount of damages or to establish the truth of any averment by evidence or to make an investigation of any other matter, the Court may conduct such hearings or order such references as it deems necessary and proper and shall when applicable accord a right of trial by jury to the parties.

RULE 43. COGNOVIT JUDGMENTS

43.01 - When a complaint is presented to the Court for the rendering of a Cognovit judgment, it shall contain, or be accompanied by, an affidavit to the effect:

Such examination shall not be required of persons holding active Notary Public commissions in this state.

Any applicant who is unsuccessful on the written examination may retake the examination within thirty (30) days. If the applicant fails to do so, the application will be destroyed. The Notary Commissioner shall notify the applicant of his performance on the written test.

Nothing herein contained shall apply to persons admitted to the practice of law in this State or certified by the Judge of the Court of Common Plea of the county in which he resides as qualified for the duties of Official Stenographic Reporter of such Court.

RULE 47. APPEALS TO THE COMMON PLEAS COURT

47.01 - Where the time for filing assignments of errors and briefs are fixed by statute or by Rule of Supreme Court, they shall be filed within such time or extension thereof as may be granted in writing by the Judge after notice to opposing counsel or party. Upon the expiration of such time as extended, the case will be considered as submitted on the briefs unless oral argument is requested in writing and granted by the Judge. When granted, such oral argument shall not exceed fifteen (15) minutes per side unless extended by the Judge.

47.02 - Where the time for filing is not fixed by statute or rule of the Supreme Court, the Appellant shall file a brief within twenty (20) days after the filing of the transcript of the record: the Appellee shall file his brief within ten (10) days after the filing of the brief of Appellant and any reply brief shall be filed within five (5) days after the filing of the Appellee's brief. Extensions of time may be granted by entry by the Judge for good cause shown after notice to all parties.

In all cases, in which demand or request to the agency by the Appellant is a prerequisite to the preparation or filing of the transcript of the record by the agency, the Appellant shall make such request at the time of filing the notice of appeal, unless otherwise provided by law, or Rule of Supreme Court.

Upon the expiration of the time for filing of the last brief, the case will be considered as submitted upon the briefs unless oral argument is requested in writing and granted by the Judge to whom the case is assigned or is required by law. Such argument shall not exceed fifteen (15) minutes per side unless extended by such Judge.

47.03 - The procedures of paragraphs 47.01 and 47.02 above as may be applicable shall apply to all appeals including those under Chapter 2506 of the Revised Code and Chapter 119 of the Revised Code. Where under those chapters or any other provision of law including appeals from the Industrial Commission, the offering of additional evidence or a trial *de novo* is granted or required by law, the case shall be assigned to the civil calendar but may be assigned to an expedited schedule.

47.04 - Failure of an Appellant to file his assignments of error, his brief or a demand for a transcript of the record within the time required shall be cause for dismissal of the appeal for want of prosecution or other disposition of the case at the discretion of the Judge.

47.05 - All briefs and memoranda, *pro* and *contra*, and all motions, briefs and memoranda thereto, *pro* and *contra*, shall be filed in duplicate.

RULE 49. JURIES

49.01 - Jury Management Plan.

The Court adopts the Jury Management Plan filed with the Clerk of Courts on February 1, 2009.

49.02 - Jury Questionnaires.

It is within the discretion of the Court to have jury questionnaires prepared and to make such questionnaires available to counsel. If jury questionnaires are to be used, the following procedure shall apply:

Prior to trial, the Bailiff shall provide counsel for the parties copies of jury questionnaires which have been previously completed by prospective jurors under the Court's direction.

During voir dire, counsel may not inquire of jurors as to matters satisfactorily and completely answered in the questionnaires.

Counsel may not copy the jury questionnaires furnished to them, and must return the jury questionnaires to the bailiff promptly after voir dire.

49.04 - The pleadings in a civil case shall be neither read nor exhibited to the juries unless admitted into evidence as an exhibit for good cause shown.

49.05 - Prior Jury Service.

Any jurors summoned for jury service may elect not to serve in the event that said juror has been previously selected for service on a petit or grand jury within one year of the date for which the juror is first summoned.

RULE 50. COURT SECURITY

The Huron County Common Pleas Court is charged with dispensing justice, resolving disputes, and protecting the constitutional rights of those who appear before the Court.

Accordingly, appropriate levels of security should exist in the Court to protect the integrity of the Court procedures, protect the rights of individuals before it, sustain the decorum and dignity of the Court, and assure that Court facilities are secure for all those who visit and work there.

Therefore, pursuant to Rule 9 of the Rules of Superintendence for Common Pleas Courts the Court establishes as follows:

This Court, in conjunction with the Common Pleas Court Juvenile/Probate Division and the Norwalk Municipal Court, has appointed a Local Advisory Committee consisting of representatives of each of the following groups: judges, law enforcement officials responsible for court security, County Commissioners, City of Norwalk Safety Service Director, county office holders with offices located in the courthouse, Huron County Bar Association and members of the public.

The Court shall implement a local Security Plan and Procedure Plan by July 1, 1996, which plan shall address the Ohio Court Security Standards adopted by the Supreme Court of Ohio on October 17, 1994.

The Local Court Security Advisory Committee shall adopt a Security Operations Manual, which manual shall establish written directives for the purpose of ensuring security within the Court while maintaining accessibility to the community.

RULE 51. AGREEMENTS

No oral agreement by counsel or with a party or an officer of the Court, will be regarded unless made in open court.

RULE 53. FORECLOSURE, QUIET TITLE AND PARTITIONS ACTIONS

In actions to quiet title, partition and for the marshaling and foreclosure of liens on real property and except those involving foreclosure of real property for delinquent land taxes by *In Rem* proceedings under Section 5721.18, the attorney for the plaintiff shall procure and file with the Clerk, within thirty (30) days after the filing of the complaint, evidence of the state of the record title to the premises in question including the name of the owners of the property to be sold and a reference to the volume and page of the recording of the next preceding recorded instrument by or through which the owners claim title as the same shall have been prepared and extended by a responsible title and abstract company to a date not over thirty (30) days prior to the filing of the complaint. The Court may, however, upon motion and notice to all interested parties and for good cause shown, permit such evidence of title to be prepared by any qualified person of recognized good standing. A true copy certified by the attorney or a photostatic copy of the original evidence of title may be filed with the Clerk in lieu of such original. Upon failure of the attorney for the plaintiff to comply with the foregoing requirement within sixty (60) days after filing of the complaint, any cross-complainant or other interested party upon notice to plaintiff's attorney may procure leave to furnish and file such evidence of the state of title within the ensuing thirty (30) days. Such evidence of title or copy thereof shall become and remain a part of the files in the case. Where the evidence of title indicates that necessary parties have not been made defendants, the attorney for the party filing the same shall proceed without delay to cause such new parties to be added and served. In all foreclosure actions, it is not necessary for the Huron County Treasurer to be named as a party or for the Treasurer to file and answer. It shall, however, be the responsibility of the attorney for the plaintiff to provide for payment of real estate taxes in the confirmation order. Further, no sheriff's deed shall be issued unless and until the real estate taxes have been paid in full to the date of transfer.

At the time of entry of judgment in any such case a final certificate of extension of the evidence of title shall be prepared and filed in accordance with the foregoing requirements showing the address or location of the property and the record state of title as of a date not more than thirty (30) days prior to the taking of the decree. Such extension shall also become and remain a part of the files in the case.

Failure to comply with the foregoing rule shall be grounds for dismissal of an action.

The expenses of the title work required under this rule shall include a base search fee not to exceed \$160.00, plus a premium on the Judicial Report issued, based on the fair market value of the property, or in the case of a foreclosure, the balance due on the first mortgage or such additional amount as may be allowed by the Court for each property involved, and said costs shall be taxed as part of the costs in said cause. Failure to file any report within thirty (30) days after the same is due or ordered shall be grounds for removal without notice and without compensation. Any person removed as receiver shall be ineligible for any subsequent appointment.

Applications for allowance of compensation to receivers or attorneys for receivers shall be made only upon prior notice to creditors and other persons in interest as the Court may direct. Such applications shall be heard at the convenience of the Court.

A minimum fee of \$60.00 shall be allowed in all cases to cover cost of bond and care of property.

Where extraordinary repairs or construction are necessary and upon application and estimate the Court has authorized the same, a receiver may be allowed additional compensation for supervision thereof to the extent of 10% of the amount authorized and expended. For the securing of new tenants an allowance of 50% of the first month's rent may be made except that where a custodian or janitor is in charge the allowance may be 25%. Notwithstanding the provisions of the paragraph, the Court or a Judge thereof may allow additional compensation to a receiver for extraordinary services rendered and not related to repairs or construction upon the filing of a detailed statement of such services. To entitle a receiver to compensation under the foregoing it shall be incumbent upon him/her to collect the rent and income of the properties in his/her charge, pay insurance premiums, pay water, fuel, gas and light bills, and cause ordinary repairs to be made.

RULE 57. SHERIFF'S SALES

57.01 - In every Sheriff's sale of real property, no deposit is required unless specifically ordered by the Court. Full payment of purchase price shall be required when sale has been confirmed by the Court. In cases where the purchaser is a lienholder, only the monies in excess of the amount of the lien will be required to be paid.

57.02 - The Sheriff shall normally conduct sales of real property on Mondays or Fridays, unless time limitations prohibit same. Sales shall be held at the Huron County Sheriff's Department.

57.03 - The Sheriff shall enter the interior of all structures on the property and cause the appraisers to view the interiors of the structures and may use reasonable force, if necessary, to allow such interior appraisal to occur. Each appraiser shall receive \$150.00 for each parcel of land appraised. The plaintiff will deposit sufficient funds to cover appraisal expenses at the time that the praecipe is filed for the sale. Appraisers will be paid for their services within one month of the appraisal, regardless of whether the property was actually sold or not.

RULE 59. COURT MAGISTRATES

59.01 - Appointment - Magistrates shall be appointed by the Court and serve as employees of the Court as provided by Civil Rule 53.

59.02 - Matters Heard - A Court Magistrate shall hear any trial or hearing which is referred to him by the Judge, on any issue or issues as to which either no jury right attaches, or as to which such jury right has been waived. Trials, including jury trials, or hearings may also be heard by a Court Magistrate as to any issues submitted by consent of the parties. In such cases, the Magistrate shall sit as a Judge for rulings on all matters.

All hearings for divorce, legal separation, post divorce, URESA, garnishment, and judgment debtor examinations shall be before the Magistrate, unless the Judge orders otherwise, at such times and dates as the Assignment Commissioner designates.

59.03 - Trial Procedure - Trial and hearings before the Magistrate will be conducted in accordance with the standards set out in Local Rule 33. A record will be made of all proceedings before a Magistrate.

59.04 - Magistrate's Orders or Decisions - The Magistrate will issue his order or decision after the trial or hearing in accordance with Rule 53 of the Ohio Civil Rules, but he/she may require that briefs, proposed findings or other memoranda be submitted by counsel prior to the issuance of his/her decision. No findings of fact and conclusions of law are required after a jury trial before a Magistrate upon stipulation.

59.05 - Objections to Magistrate's Decision - A memorandum of authorities shall be filed in support of objections to the Magistrate's Decision at the time of filing the objections unless a transcript of proceedings is necessary for the Court's review of the Magistrate's Decision and has been ordered from the court's reporter.

If a transcript of proceedings has not been ordered and a deposit paid for the transcript, the objections shall be heard without a transcript. Any other party shall have 10 days from the date of filing of the objections to file a responsive memorandum of authorities and to file objections to the Magistrate's Decision with a memorandum of authorities supporting those objections. The original objecting party shall then have 10 days from the date of filing of the opponent's objections to file a responsive memorandum of authorities. All objections shall be heard in a non-oral hearing scheduled by the assignment commissioner for the twenty-first day following the date that the original objections were filed.

If a transcript of proceedings has been ordered and a deposit paid for the transcript, any objecting party's memorandum of authorities in support of that party's objections shall be filed 10 days after the court reporter files the transcript with the clerk of this court, with notice to the parties. Any other party shall have 10 days from the date that the memorandum of authorities in support of the respective objections is filed with the clerk to file a responsive memorandum of authorities. All objections shall be heard in a non-oral hearing scheduled by the assignment commissioner for the twenty-first day following the date that the court reporter filed the transcript with the clerk. Nothing in this rule shall relieve a party from timely filing objections to the Magistrate's Decision as required by Civil Rule 53(D)(3)(a). If the original objecting party has filed objections without ordering a transcript and a subsequent objecting party has filed objections for which a transcript has been ordered, the briefing schedule and assignment for non-oral hearing for all objections shall be in accordance with the schedule for objections for which a transcript has been ordered.

A request for a transcript must be submitted to the court reporter in writing and a deposit for the transcript paid before filing objections for which a transcript of proceedings is required for the court to review the Magistrate's Decision. The objecting party should state on the objections that a transcript of proceedings has been ordered. If no notation that a transcript of proceedings has been ordered is made on the objections, the Court will treat the objections as made without a transcript and will schedule the objections accordingly.

If a party desires an oral hearing on objections to a Magistrate's Decision, the request should be made following the procedure in Local Rule 25.02.

59.06 - Entries - Entries or judgments in uncontested cases read into the record before a Magistrate shall be prepared by the prevailing party in accordance with Rule 39.01 of this Court and shall be submitted to opposing counsel and the Magistrate for his approval and endorsement before being submitted to the Court.

63.01 - Requests for permission for the broadcasting, televising, recording or taking of photographs in the courtroom shall be in writing and the written permission of the judge shall be made a part of the record of the proceedings. 63.04 - Equipment shall not produce distracting sound or light. Signal lights or devices to show when equipment is operating shall not be visible. Motorized drives, moving lights, flash attachments, or sudden light changes shall not be used. Still cameras that do not operate quietly will not be used at any time when court is in session.

63.05 - All equipment must be set up prior to the opening of the court session and may not be removed until after the conclusion of the court sessions, or during a court recess.

63.06 - Media personnel may not interview participants in the courtroom. The court may, where space is available, make available a space where news reporters and photographers may conduct their business with the consent of persons willing to participate in such interviews.

63.07 - It will be the responsibility of the news media to agree upon a pooling arrangement for their respective news medium. The Court Administrator shall be notified of any pooling arrangement at a sufficient time prior to the court proceeding.

63.08 - All those entering the courtroom are subject to search. With the exception of the television camera and still camera indicated above, no electronic recording devices will be permitted in the courtroom. No cell phones or pagers will be permitted in the courtroom.

63.09 - The still photographer and television camera operator shall be afforded a clear view, but shall not be permitted to move about in the courtroom during court proceedings from the places where they have been positioned by the Court Administrator. The equipment and operators shall not impede the view of persons seated in the public area of the courtroom.

63.10 - The changing of film or recording tape in the courtroom during court proceedings is prohibited.

Matters addressed in the Superintendence Rules that are not specifically addressed in this Local Court Rule shall be governed by Superintendence Rule 12.

RULE 65. ARBITRATION

65.01 - Cases for Arbitration.

The Judge of the general division of the Court of Common Pleas may, at any time by a general entry, order any case assigned to that Judge to be heard and decided by a Board of Arbitration, consisting of not more than three (3) members who are licensed Ohio attorneys to be selected as provided in this Rule, except cases involving title to real estate, equitable relief and appeals, provided the following conditions are satisfied:

1. The case must be at least sixty (60) days old unless earlier agreed to by all parties.

2. The amount actually in controversy in the case (exclusive of interest and costs), as determined by the assigned Judge, does not exceed \$25,000, unless agreed to by all parties. Where other parties in the case have filed counterclaims or crossclaims, all the parties' claims shall not be aggregated in determining the amount "actually in controversy". The Judge may order any or all of said claims for arbitration, and may sever others, as he shall see fit in his discretion provided that no claim or claims of anyone which the Court determines exceeds \$25,000 as the amount in controversy, may be referred to arbitration, except by agreement of all parties.

All times provided herein shall be computed from the date the Arbitration Entry is filed in the office of the Clerk of Courts, unless stated otherwise.

Upon the filing by any party of a motion to arbitrate at any time after the case is at issue, but in no event later than 270 days after the case is at issue in personal injury cases, and 180 days in all other cases, the assigned Judge may within 30 days after said filing hold a hearing upon notice to all parties, to determine whether a case is ready and appropriate for arbitration under this rule. A party who wishes to oppose arbitration shall file a memorandum contra within 14 days of service of the Motion to Arbitrate.

At the hearing the Court shall determine whether all necessary discovery has been concluded before the arbitration, whether the amount in controversy is within this rule, and whether the action is otherwise ready and appropriate for arbitration.

The arbitration shall be non-binding appealable to the Common Pleas Court unless the parties in writing filed with the Court agree to binding arbitration.

65.02 - Exception to Order for Arbitration.

Exceptions to an order referring a case to arbitration or the selection of any arbitrator shall be raised by motion filed within fourteen (14) days of the mailing of the notice of the order or selection, and shall be decided by the assigned Judge.

65.03 - Selection of Arbitrators.

When the order or arbitration is made by the Judge, the Judge shall select the Chairman and shall forward the entry to the Assignment Commissioner, who shall select the time and location of the hearing, file the entry, and forward a copy to all parties.

The Chairman shall be an attorney with at least three (3) years experience, appointed from a list of volunteers maintained by the Assignment Commissioner.

Within fifteen (15) days of the filing of the entry, each side shall appoint an arbitrator who can be available for the scheduled date, and shall notify all parties and the Assignment Commissioner in writing. Upon failure to do so, the party will be deemed to have waived their right to so appoint and the Judge may appoint their arbitrator for them.

Where there is more than one Plaintiff or more than one Defendant, each side shall nominate one arbitrator. If any conflict arises out of the differing interests of the parties, the Judge shall make appropriate rulings.

By agreement or by waiver, the parties may proceed with the Chairman as the sole arbitrator.

Before the hearing, the Chairman shall obtain the Court file on the case, along with the appropriate forms for the required Report and Award.

No more than one member of a law partnership or association of attorneys shall be appointed to the same Board, nor shall any attorney be appointed to a Board who has an interest in the determination of the case or a relationship with the parties or their counsel which would interfere with an impartial consideration of the case.

65.04 - Compensation of Arbitrators.

Each member of a Board who has signed an award or files a minority report shall receive as compensation for his or her services in each case a fee of Three Hundred (\$300) Dollars. When more than one case arising out of the same transaction is heard at the same hearing or hearings, it shall be considered as one case insofar as compensation of the arbitrators is concerned.

In cases requiring hearings of unusual duration involving questions of unusual complexity, the assigned Judge, on motion of the members of the Board and for cause shown, may allow additional compensation. The members of a Board shall not be entitled to receive their fees until after filing the Report and Award with the Court. Fees paid to arbitrators shall not be taxed as costs nor follow the award as other costs.

The Chairman shall receive as additional compensation the sum of One Hundred (\$100) Dollars for each case heard by the Board.

Each side shall be responsible for paying the fee of one arbitrator and one-half the fee of the Chairman. Payments shall be made to the Clerk of Courts no later than fourteen (14) days before the date set for the arbitration hearing.

In the event that one or more parties is unable due to poverty to make the payment for arbitrators' fees, he may file a motion and affidavit under Rule 65.15 (A) 1. c) herein, and all of the provisions of the subsection shall apply.

In the event that a case shall be settled or dismissed more than two (2) days prior to the date scheduled for the hearing, the Board members shall not be entitled to the fee. In the event that a case has been settled or dismissed within said two-day period, the Board members shall be entitled to receive the fee. The parties are required to notify the Chairman and the Assignment Commissioner immediately of settlement or dismissal.

In the event that a case is settled or dismissed more than two (2) days prior to the date of hearing, the parties shall file the standard Settlement & Dismissal Entry, shall serve the Assignment Commissioner with a copy, and shall notify the arbitrators of the settlement. If the settlement is within

two (2) days or less prior to the arbitration, the Settlement & Dismissal Entry shall also contain an order for payment of fees to the arbitrations, designating their names, addresses and amounts due.

65.05 - Hearings; When and Where Held; Notice.

Hearings shall be held at a time scheduled by the Assignment Commissioner at a courtroom or hearing room unless the Chairman, upon agreement by all parties, shall designate another place, such as a law office, or another public office. A hearing shall be scheduled not more than sixty (60) days after the appointment of the Chairman.

The sixty (60) day period may be extended only by the Court. No hearing shall be fixed for Saturdays, Sundays, legal holidays or evenings, except upon agreement of counsel for all parties and the Board.

Since sufficient time is available to the parties prior to the hearing date to settle or compromise their disputes, once a hearing date is determined, the hearing shall proceed at the scheduled time. There shall be no communications by counsel or the parties with the arbitrators concerning the merits of the controversy prior to the commencement of the arbitration hearing.

65.06 - Oath of Arbitrators.

When all the arbitrators are assembled and before the hearing begins, each arbitrator shall take an oath or affirmation, as follows:

“I solemnly swear or affirm that I will faithfully and fairly hear and examine the matter in controversy and that I will make a just award to the best of my understanding and ability.”

65.07 - Default of a Party.

The arbitration may proceed in the absence of any party who, after due notice, fails to be present, appoint its arbitrator, obtain a continuance, or to present evidence. An award shall not be made solely on the default of a party. The Board shall require the other party to submit such evidence as it may require for the making of an award.

65.08 - Supervisory Powers of Court.

The Judge of the General Division of the Court of Common Pleas shall have full supervisory powers with regard to any questions that arise in all arbitration proceedings and in the application of these Rules.

65.09 - Witness Fees, Written Depositions, Videotape Depositions.

Witness fees in any case referred to arbitration shall be in the same amount as now or hereafter provided for witnesses in trials in the Common Pleas Court. Costs of written and videotaped depositions and witness fees may be ordered taxed as costs. The costs in any case shall be paid by the same party or parties by whom they would have been paid had the case been tried.

65.10 - Transcript of Testimony.

The arbitrators shall not be required to make a transcript of the hearing. If any party desires a transcript, he or she shall provide a reporter and cause a record to be made. The party requesting the record shall pay the expenses which shall not be considered costs in the case. Any party desiring a copy of any transcript shall be provided with it by the reporter upon payment of the usual charges for a copy of a deposition plus the party's proportionate share of the cost of the reporter's attendance.

65.11 - Continuance of Hearing, Inability of Hearing to Proceed.

The Chairman may continue a hearing date only upon a showing by a party or parties of extraordinary reasons. In such event, it shall be the responsibility of the party requesting the continuance to reschedule such hearing at a date and time, not later than thirty (30) days, mutually agreeable to the Assignment Commissioner, the arbitrators and the parties, and provide written notice of the rescheduled hearing date to the Assignment Commissioner, the arbitrators and the parties. In no event shall a case be continued more than twice without the approval of the Judge.

In the event that one or two members of the Arbitration Board are unable to attend the hearing, the parties shall obtain a substitute arbitrator or may agree that the hearing proceed before a Board of less than three arbitrators.

In no event shall the hearing proceed in the absence of the assigned Chairman. In such event, the hearing shall be continued to a date and time mutually agreeable to the arbitrators, parties, and the Assignment Commissioner. Such a continuance shall be deemed to be at the request of the Chairman.

In the event that the hearing is unable to proceed as a result of the death or long-term illness or disability of a party or counsel, the Chairman shall return the case file to the Court with notice of such fact. The Judge shall summon the parties or their counsel and make such orders as are just relative to further proceedings in the case.

Any motion that has not been ruled on prior to the date of the arbitration shall be disregarded by the Board and for the purposes of arbitration treated as a nullity.

65.12 - Conduct of Hearing - General Powers.

Although strict conformity to legal rules of evidence is not necessary, the Board shall receive all relevant and material evidence as determined by a majority of the members of the Board. All evidence received shall be given such weight as the Board deems appropriate after consideration of any objections. Rulings upon objections shall be made by the Chairman, based upon the majority decision of the Board. All evidence shall be taken in the presence of the arbitrators and all the parties except where any of the parties is absent and consents, or is in default, or has waived his right to be present. The Board may receive evidence in the following forms:

- 1. Testimony** - Testimony by competent witnesses, whether live, or by deposition, pursuant to stipulation or Civil Rule 32, signed and dated witness statements or transcripts of the same, or affidavits. The Board shall administer oaths or affirmations to all live witnesses.

2. Documentary Evidence.

(a) *Medical Bills, Property Damage Bills or Estimates* – In actions involving personal injury and/or damage to property, the following bills or estimates may be offered and received in evidence without further proof, for the purpose of proving the value and reasonableness of the charges for services, labor and materials, or items contained therein, and, where applicable, the necessity for furnishing the same.

(i) *Health Care Providers* – Bills of hospitals, doctors, dentists, nurses, therapists, and all other health care providers, on the proper form or letterhead, when itemized and dated.

(ii) *Bills for Medicines, etc.* – Bills for medicines, eye glasses, prosthetic devices, medical appliances, or similar items.

(iii) *Property Repair Bills or Estimates* – Property repair bills or estimates, when identified and itemized setting forth the charges for labor and material used in the repair of property, provided that sufficient proof of ownership is offered by the party seeking to introduce such bill or estimate.

(iv) *Procedure in Case of Estimate* – In the case of an estimate, the party intending to offer the estimate shall forward with his or her notice to the adverse party, together with the copy of the estimate, a statement indicating whether or not the property was repaired, and if it was, whether or not the repairs were made in full or part, attaching a copy of the receipted bill showing the items or repair made and the amount paid.

(b) Records and Reports.

(i) Police, sheriff and highway patrol reports.

(ii) Hospital, medical, therapy, doctor's reports, and x-rays.

(iii) Employer's reports on lost wages, economist reports.

All written or documentary evidence as listed above must be served upon the adverse parties or their counsel at least seven (7) days before the hearing, unless counsel otherwise agree. Failure to give such notice or serve such evidence upon opposing parties can be sufficient grounds for exclusion of the evidence, in the discretion of the arbitrators.

Counsel shall, upon request whenever possible, produce a party or witness at the hearing without the necessity of a subpoena. Subpoenas are to be issued as provided in Civil Rule 45 through the Clerk's office as in any other case.

The Chairman may compel the reasonable production of books, papers and documents which may be material to the case.

Should a party or witness fail to produce documents or testify as to a matter after being ordered to do so by a Board, the Board may treat that particular matter as not controverted and proceed to make a final award without the necessity of issuing a citation for contempt.

Where documentary evidence of special damages including, but not limited to, the types of evidence referred to in Subsection (2) above, will be offered for admission at the hearing, counsel for the party offering the evidence shall secure a copy of each document for every arbitrator and a list summarizing and totaling items of special damages.

The Chairman, at the discretion of the Board, may request that counsel provide the Board with brief written arguments of law, together with supporting authorities, if necessary to a just determination of the issues. The Board shall decide the law and the facts of the case submitted to them.

This Section shall be construed to promote the efficient, fair and expeditious handling of arbitration hearings.

65.13 - Report and Award.

Within ten (10) days after the hearing, the Chairman shall file a Report and Award with the Clerk of Courts and the Assignment Commissioner, and on the same day shall mail or otherwise forward copies to all parties or their counsel. An award may not exceed \$25,000 exclusive of interest. The Report and Award shall be signed by all of the members of the Board. In the event that all three members do not agree on the findings and award, the dissenting member shall write the word "Dissents" before his or her signature. A minority report shall not be required unless the dissenting arbitrator elects to submit one. The Clerk of Courts shall note the Report and Award on the docket, and shall provide a copy to the Judge.

65.14 - Legal Effect of Report and Award; Entry of Judgment.

The Report and Award, unless appealed from, shall be final. If no appeal is taken within the time and in the manner specified, the Court shall enter judgment on such award. After the appeal time runs, the prevailing party shall prepare a judgment entry, which shall be submitted to opposing counsel for approval and to the Judge for signature. If no entry has been submitted to the Court as set out in Rule 39.01 of the Local Rules, from the date of the filing of the Report and Award, the Court will file its own entry. The Court shall order the Clerk of Courts to pay the arbitrators, as soon as practicable, following the filing of an award by the Chairman, or a settlement or dismissal entry or stipulation entitling the arbitrators to payment under 65.04.

65.15 - Appeals.

Right of Appeal *De Novo*. - Unless the parties have agreed to binding arbitration, any party may appeal from the action of the Board to the Common Pleas Court. No appeal can be withdrawn without the consent of all parties. The filing of a single appeal shall be sufficient to require a *de novo* trial of the entire case on all issues and as to all parties without the necessity of each party filing a separate notice of appeal. The right of appeal shall be subject to the following conditions, all of which shall be complied within thirty (30) days after the filing of the award with the Clerk of Courts.

(a) *Notice of Appeal and Costs* – An appellant shall file a Notice of Appeal *de novo*, together with an affidavit that the appeal is not taken for delay but because he believes an injustice has been done, in the office of the Clerk of Courts. Appellant shall pay to the Clerk of Courts the sum mentioned in 1. b) below. Appellant shall serve a copy of the Notice of Appeal and Affidavit upon all parties or their counsel and the Assignment Commissioner.

(b) *Repayment of Arbitration Fees* – The appellant shall deposit with the Clerk of Courts, all fees received by the members of the Board in the case which shall be refunded to the parties who had made deposits for arbitration costs. The sum paid shall not be taxed as costs in the case and shall not be recoverable by the appellant in any proceeding.

(c) *Poverty Affidavit and Notice* – A party, desiring to appeal an award, may concurrently with the filing of a Notice of Appeal *de novo*, file with the Judge a written motion and affidavit averring that by reason of poverty he or she is unable to make the payments required for an appeal and requesting the Court to allow an appeal *de novo* without payment of the amount specified in 1.(b). If after due notice to the opposite parties, the Judge is satisfied with the truth of the statements in the affidavit, the Judge may order that the appeal of such party be allowed although the amounts are not paid by the appellant.

If, however, the plaintiff or party appealing, who has filed a poverty affidavit as described above, receives a settlement or judgment in the case, the defendant or party who agrees to or is ordered to pay the judgment, shall pay first to the Clerk of Courts out of such settlement or judgment, before making payment to anyone else, an amount equal to the non-deposit portion of the compensation due for the appeal *de novo*.

Return to Judge - After perfection of the appeal, the case shall be returned to the Judge for trial.

Appeal *De Novo* - All cases which have been duly appealed shall be tried *de novo*. No mention of the arbitration or its result shall be made at the time of trial. However, this section shall not be construed to prohibit a party from employing the transcript of testimony of a witness or party made at the arbitration hearing for the purpose of impeachment, or for any other purpose allowed by law or the Ohio Rules of Civil or Criminal Procedure.

Testimony of Arbitrators on Appeal - In the event of an appeal from the award or decision of the Board, the arbitrators shall not be called as witnesses as to what took place before them in their official capacity as arbitrators.

Exceptions and Reasons Therefor - Any party may file exceptions with the Clerk of Courts, from the decision of the Board, within thirty (30) days from the filing of the Report and Award for reasons set out in O.R.C. 2711.10.

Copies of the exceptions shall be served upon each arbitrator within three (3) days after filing and shall be forthwith assigned for hearing before the Judge to conduct a hearing thereon.

If the exceptions are sustained, the report of the Board shall be vacated by the Court and the Court shall return the case to the trial docket for trial or assign the case again to arbitration before a new Board of Arbitrators. The Judge vacating the Report and Award may also withhold arbitrator's compensation, or require a refund of such compensation, from any one or more of the arbitrators. The filing of exceptions shall toll the running of the thirty (30) day appeal period provided in (A) above until a determination of the exceptions by the Court.

If the \$1,500.00 deposit has not been paid to the Clerk within 30 days of the filing of the judgment entry appointing the guardian ad litem, the defaulting party(s) will be ordered to appear before the Court to determine the reason for which payment of deposit has not been remitted and to issue any further appropriate orders regarding the deposit.

The guardian ad litem shall commence his duties in the case upon the payment of the deposit. Upon application of the guardian ad litem and allowance by the court, the parties shall each, unless otherwise ordered by the court, deposit with the clerk such additional sum as the court shall have ordered within 30 days of receiving notice of the court's order. Fees and expenses incurred by the guardian ad litem shall be taxed as costs and the deposits with the clerk of court therefore shall be refunded or credited to the respective parties upon payment of court costs.

(E). Support Obligation Notice - A Support Obligation Notice (Appendix F) shall be attached to all final judgment entries ordering child or spousal support and a copy provided to each of the parties.

(F). In-camera Interview - In any domestic relations matter in which the allocation of parental rights and responsibilities is at issue, the Court, upon request of any party, will conduct an in-camera interview of the minor child(ren) who are the subject of the proceeding. If no such request is made, the Court may conduct an in-camera interview upon its own motion.

To minimize the exposure of minor child(ren) to parental conflicts, in-camera interviews will be conducted by the Judge or Magistrate subsequent to the presentation of all other evidence in the matter and on a separate day from that scheduled for hearing on the merits of the complaint or motion.

As a consequence, and unless the minor child(ren) must be present for some other purpose, the Court expects that the child(ren) will not be present in the Courthouse at the time of the contested hearing on the issue of parental rights and responsibilities.

The Court recognizes that there may be extraordinary circumstances which may make desirable or even require that an in-camera interview be conducted on the same day as hearing on the merits of the motion or other pleading. In that event, the party or counsel making the request must file a motion supported by affidavit, with service upon the opposing party or his counsel, at least seven (7) days prior to hearing on the merits.

Copies of the motion, memorandum, accompanying forms and notice of hearing shall be provided to the Clerk for service on the opposing party.

Within 14 days of service of the motion for modification the non-moving party shall file responsive pleadings which shall include the information required in subparagraphs 2-5 above.

6. Current Court Form 2 Supp., Health Insurance Information Worksheet.
7. A Notice of Hearing - The moving party shall secure a hearing date from the Court before filing the motion with the clerk and cause notice to be served upon the non-moving party in conformity with law. Agreed change of residential parent and legal custodian may be before a Judge or Magistrate. Contested issues of designation of residential parent and legal custodian and contested visitation hearings will be heard by a Magistrate. Unless the parties have signed a proposed agreed entry prior to filing of the motion, the motion will be scheduled for a pretrial hearing.

(D). Interest on Support Arrearage - When a party requests interest on support arrearages, all interest shall be calculated as simple interest from the date of Judgment.

The party requesting interest shall attach to the motion a statement of CSEA records reflecting arrearages to date of motion.

The moving party shall also provide a praecipe to the Clerk for service as follows:

1. Certified Mail service; and
2. An additional praecipe pursuant to Civil Rule 4.6 for service in the event service fails.

69.09 - Reserved.

69.10 - Attorney Fees.

(A). Orders for attorney fees payable at the time a case is filed will not be granted.

(B). Attorney fees in contempt actions.

As provided by statute, the Court has established a uniform award of attorney's fees in the amount of \$500.00 to the obligee when the obligor is found in contempt. The amount is considered a moderate average fee for filing and preparation of a motion for contempt. At the hearing, moving counsel should elicit a brief response from movant that he/she hired counsel and incurred attorney's fees as a result.

When moving counsel requests fees in excess of \$500.00, movant's counsel must present the Court with a statement of the anticipated fee and introduce evidence in support of the award as required by law.

69.11 - Filing of Required Documents.

All required documents must be filed with the complaint and/or counterclaim and/or motion. Failure to do so is grounds for dismissal.

Incomplete papers will be returned by the Assignment Commissioner.

69.12 - Current Addresses.

Since all spousal support and child support payments are to be paid through the Huron County Child Support Enforcement Agency, counsel is to instruct their clients that it is very important for them to furnish the Huron County Child Support Enforcement Agency of a current address.

69.13 - Dismissal of Cases for Want of Prosecution.

If a defendant has not been served with complaint and summons in an original action or if an opposing party has not been served properly with a post-decree motion within sixty (60) days of the filing thereof, notice will be sent to the filing attorney or party that the case may be dismissed on a date certain unless service has been completed by that date or other good cause has been shown why the matter should not be dismissed.

69.14 - Sanctions.

The presentation to the Court of unnecessary motions and unwarranted opposition of motions, which in either case unduly delays the course of an action through the Court, may subject the offender to appropriate discipline including the imposition of costs and attorney's fees.

69.15 - Continuances.

See Rule 34.07 for Continuances.

69.16 - Medical Reports and Evidence in Domestic Relations Cases.

In any type of domestic hearing concerning the reasonableness or the necessity of the work to be done, a medical report duly signed by the physician or other supplier of medical related services shall be sufficient and be admitted into evidence at said hearing if properly served on the opposing counsel within seven days before trial.

Said medical suppliers are not limited to but shall include physicians, surgeons, optometrists, dentists, or any other medical specialty.

69.17 - Standard Health Care Orders and Payment of Extraordinary Medical Expenses for Minor Children.

The Court has adopted a standard health care order and a schedule for payment of medical expenses for minor children, which is designated as Appendix "A". The Court will use this order and schedule unless the best interest of the minor children and/or the evidence dictates otherwise.

69.18 - Visitation.

The Court has adopted schedules for parenting time (Visitation and Companionship), Appendix B, and Long Distance Visitation and Companionship, Appendix C. The Court will use these schedules unless the best interest of the children and/or the evidence dictates otherwise. For children of tender years, generally under two years of age, the court will modify the standard visitation to make visitation appropriate for the specific circumstances. Parties should submit to the court in their application for temporary orders a proposed visitation schedule with justification for the deviation from the standard visitation. Parties should address any need to deviate from the standard visitation schedules at the pretrial conference and final hearing.

69.19 - Genetic Testing.

A party requesting genetic testing regarding paternity in a non-UIFSA action shall do so by written motion with supporting affidavit at least seven (7) days prior to pretrial or forty-five (45) days prior to trial or hearing on the merits, whichever shall first occur. In certain limited circumstances, the costs of the genetic testing may be prepaid by the Huron County Child Support Enforcement Agency (CSEA). If Huron County CSEA will not be responsible for prepayment of costs, the Court may require the moving party to deposit with the Clerk of Courts sufficient security for the costs of obtaining such testing at the time of ordering said testing. If the testing will not be performed through the Huron County CSEA, the Court may require the moving party to propose qualified examiners to conduct the genetic testing.

The Huron County CSEA, the approved qualified examiner, or the party receiving the test results shall forward a copy of the genetic testing relationship report to the Clerk of Courts, who shall file the report under seal and note the filing thereof on the docket. The Clerk shall provide notification of the filing to the Court, which will take further appropriate action. The moving party may be responsible for certifying service of a copy of the relationship report prior to its admission into evidence in accordance with law. The Court reserves the right to assess and/or to apportion the costs of the genetic testing between or among parties at the conclusion of the proceedings.

69.20 - Home Study & Psychological Evaluation Procedures.

A party requesting a home study or psychological evaluation shall do so by written motion with supporting affidavit and shall schedule the motion for oral or non-oral hearing in accordance with these rules. A motion for home study shall be submitted with a deposit to the Clerk of Courts in accordance with the fee schedule for costs. Deposits for psychological evaluations shall be determined upon any order issued granting same in consultation with the service provider.

The persons or entity appointed to conduct the home study or psychological evaluation shall forward a copy of any report to the Clerk of Courts, who shall file the report under seal and note the filing thereof on the docket. The Clerk shall provide notification of the filing to the Court, which will take further appropriate action. The Court reserves the right to assess and/or to apportion the costs of the home study or psychological evaluation between or among parties at the conclusion of the proceedings.

69.21 - Dismissals.

The Court may dismiss, on its own motion, all cases in which:

1. There has been no affirmative action taken for an unreasonable time;
2. There has been no response to inquiries from the Court or Assignment Commissioner regarding the status of the case; or
3. The Court is advised by counsel or the parties that the parties to domestic relations cases have reconciled since the case was filed.
4. If no affirmative action is taken (such as request for assignment or request for good cause that the case be allowed to pend), such cases may be dismissed after ten (10) days from the date of notice to counsel and/or parties that the Court is considering dismissal of such case. Such dismissals shall be without prejudice, without record, and costs to be taxed as the Court seems just.

69.22(A) - Court Sponsored Parenting Class.

In all divorce, dissolutions or legal separation actions, in which the parties have children under 18 years of age, except when otherwise ordered by the Court, parents shall be required to attend a parenting class designed to increase their awareness of the impact of their separation and the legal proceedings on their children. Attendance at such class may also be required on a case-by-case basis in post-decree motions for change in custody or visitation enforcement. This class is to be completed within forty-five (45) days after the filing of the Temporary Orders.

Unless the parties have been excused by the Court from attending the parenting class, a final Judgment Entry of divorce, dissolutions or legal separation shall not be granted until a Certificate of Attendance at such class has been filed with the Clerk of Courts. The non-attendance of a parent who does not enter an appearance or contest the action or who fails to timely comply shall not delay the filing of the final entry; however, the Court may require attendance by such parent before allowing any visitation privileges; and the non-attending parent may also be cited for contempt. For good cause shown, the Court may waive such seminar attendance.

A fee of \$30.00 shall be paid to the instructor by each of the parties at the time they attend the class.

An informational sheet has been prepared by the Court. Counsel shall provide a copy of the informational sheet to their client and encourage the client to enroll in such class as soon as possible. Copies of the informational sheet may be obtained from the Court and counsel should provide a copy of such information to each client who has a child under the age of eighteen and who is seeking a divorce, dissolution or legal separation. Parties are encouraged to attend the class before filing for divorce and credit will be given for such attendance. The information can also be obtained at www.huroncountycommonpleas.org

Attendance at the parenting class should be at the C.O.P.E. class in either Huron or Sandusky Counties. The Court will also give credit to any other parenting class attended by the parties, provided the parties have received prior approval from the Court to attend such in lieu of attending a C.O.P.E. class.

69.22(B) - Court-Sponsored Class for Children.

In all divorce, dissolutions, or legal separation actions, in which the parties have children ages five (5) to seventeen (17) years, except when otherwise ordered by the Court, the children shall be required to attend a class to assist them in dealing with the stress typically associated with these legal proceedings and family lifestyle transitions. Attendance at such class may also be required on a case-by-case basis in post decree motions for modifications of custody or companionship. This class is to be completed within forty-five (45) days after the filing of temporary orders.

Unless the parties' children have been excused by the Court from attending the K.I.D.D.S. (Kids' Information in Dealing with Divorce Stress) Class, a final judgment entry granting a divorce, dissolution or legal separation shall not be granted until a certificate of attendance for each child has been filed with the Clerk of Courts. For good cause shown, the Court may waive attendance.

A fee of \$20.00 per child shall be paid to the instructor by the residential parent at the time of attendance at the class.

An informational sheet has been prepared by the Court. Counsel shall provide a copy of the informational sheet to their clients and encourage them to enroll the children in the class as soon as possible. Copies of the informational sheet may be obtained from the Court, and counsel should provide a copy of such information to each client who has children between the ages of five (5) and seventeen (17) years inclusive and who is seeking a divorce, dissolution or legal separation. The information can also be obtained at www.huroncountycommonpleas.org

Attendance at the K.I.D.D.S. class shall be in Huron County. There shall be two (2) different sessions offered; one for children ages five (5) through eleven (11) years, and one for adolescents ages twelve (12) through seventeen (17) years. The Court may also give credit for such other comparable children's classes attended in other jurisdictions, provided that prior approval has been obtained from the Court.

In any domestic relations hearing in which the amount of support arrears is a relevant issue, a payment history certified by the Huron County Child Support Enforcement Agency (CSEA) shall be sufficient and be admitted into evidence at said hearing without foundation and testimony by a CSEA records-keeper if properly served upon opposing counsel (or opposing party, if unrepresented) at least seven (7) days prior to hearing.

69.26 - Qualified Domestic Relations Orders and Other Orders Apportioning Pension/Retirement Benefits in Divorce/Dissolution Cases

Unless otherwise agreed, counsel for the alternate payee entitled to receive a portion of a spouse's pension/retirement benefits as a result of a divorce or dissolution of marriage shall prepare the appropriate Qualified Domestic Relations Order (QDRO) or other entry apportioning the pension/retirement benefits in accordance with a final decree for submission to the Court. Whenever the parties have agreed to a division of a pension or retirement benefits by QDRO or other appropriate entry, the parties or their counsel shall sign and approve the QDRO or other appropriate entry submitted to the Court and shall sign and approve any subsequent (QDRO) or other appropriate entry submitted to the Court, unless this requirement specifically has been waived by the Court. The QDRO or other entry apportioning pension/retirement benefits shall be prepared and submitted to the Court as soon as possible subsequent to entry of the final decree.

In the event that the Court has ordered a division of a pension/retirement benefits without agreement of the parties, the Court may assign the responsibility to the parties/counsel of preparation and submission of a QDRO or other appropriate entry apportioning the benefits.

In all cases in which a QDRO or other entry apportioning pension/retirement benefits is to be issued, the final judgment entry granting the divorce or dissolution of marriage shall contain the following language:

The court further retains jurisdiction to entry further orders as are necessary to enforce the assignment of benefits to the non-participant spouse as set forth herein, including the re-characterization thereof as a division of benefits under another plan as applicable, or to make an award of spousal support, if applicable, in the event that the participant fails to comply with the provisions of this order.
2. "The participant shall not take any actions, affirmative or otherwise, that may circumvent the terms and provisions of the Qualified domestic Relations Order or other entry apportioning pension/retirement benefits that may diminish or extinguish the rights and the entitlements of the participant."

69.27 - Mediation in Domestic Relations Cases.

(A). General provisions - Parties to divorce cases and post-decree motions in which the allocation or modification of parental rights and responsibilities or of parenting time (i.e., custody and/or visitation) is at issue may be referred by the Judge or Magistrate to participate in a mediation session. At his/her discretion, the Judge or Magistrate may refer other cases involving disputed issues to mediation. Cases shall not be referred to mediation for the following purposes:

1. The prosecution or adjudication of domestic violence;
2. The determination of granting, modifying or terminating a protection order;

If counsel for a party elects not to attend the mediation session or a party is not represented by counsel, a party may designate an alternate person to accompany her/him to the mediation session. The identity of the alternate person must be disclosed at the pretrial hearing. If referral to mediation is deemed appropriate, the Judge or Magistrate shall issue an order of referral setting forth the time and place of the mediation session. The parties shall be advised that failure to attend a mediation session may result in a finding of contempt.

The parties or their counsel shall advise the Judge or Magistrate whether he or she alleges to be a victim of domestic violence from the adverse party. 3. The mediation session can be scheduled to take place in the Huron County Courthouse during normal business hours;
4. The parties are informed that the mediator shall terminate the mediation session if he or she believes there is continued threat of domestic violence or coercion between the parties.
